Questions about the election process may be directed to the current members of the Nominating Committee: Martin Cox, Jeanne Lamont, Janis Pock, Sheridan Botts, and Leta Hamilton.

Please join us in thanking all our candidates and current Board and Committee members for their dedication to our church!

## Treasurer

### Ned Kurabi

Joined East Shore with his wife Louise and his family 30 years ago. His children, Chloe & Oliver grew up at East Shore. Ned has a professional background in finance, has served on the East Shore Finance committee, and served as Treasurer on the Board of Trustees back when Craig Nelson was president and Peter Luton was minister.

## Trustee-at-Large Positions

### Louise Wilkinson

Is widely recognized at East Shore for her work leading the East Shore Right Relations committee and the Beloved Racial Justice team. Recently Louise has been leading the Board of Trustees through training and exploration of intercultural competency. Louise has worked as a professional leadership development trainer at Boeing.

### Evelyn Smith

Since my father was in the army, my family lived in several places in the United States as well as Korea and Germany when I was a kid. This gave me an early exposure to various cultures and an awareness of what a strong role your country of origin, race, physical and mental abilities, and financial resources can play in what a person is to become. This awareness helped to direct me to become a clinical social worker. I have always worked part-time for a non-profit agency because I love to teach, supervision and carry out the mission of a non-profit. I also still have a private practice in Bellevue.

I have been very fortunate in my marriage to Leroy and we have one daughter, Trina. She and her husband John, and their boys, Tyler, 16 and Tristan, 9, live within walking distance of us, so we get to see them often and be a real part of each other's lives. We have so much fun with our grandsons, and enjoy gardening, reading, and volunteering. Our idea of the best vacation is to get in the car and drive to one of our great national parks—or better yet, several of them!

We have been attending East Shore for 6 years. It has been hard to choose from all the possibilities at East Shore, but I am a Lay Pastoral Minister, on the Membership Team, cook and serve for the Crossroads meals program, help with the grounds and p-patch table in the summer, assist with Trinkets and Treasures, and attend as many classes as possible. I have been honored to serve on the Board for the past couple of months and look forward to continuing being a part of our growth.

## Lindsay Fogelquist

Has been a member of East Shore since childhood and her son, Nigel is a teen in East Shore youth RE. Lindsay works for Costco in IT. At East Shore, Lindsay is completing a term serving on the Personnel Committee and has been a member of the East Shore Family Covenant circle.

## Nominating Committee Members

### Ann Carlstrom

Ann joined East Shore in 2018, though that wasn't their first time here! Ann and her husband, Bill, were active at East Shore back when the Sanctuary was being built. They remember the beam being put into place!

### Marcy Langrock

I have served East Shore as Treasurer this past year. I attend East Shore with my husband David and our three teenage sons: Alex, Nicky and Benji. We began attending in 2012 and signed the membership book in 2013. We were looking for a community that fit our family members' needs and we found that here. I have been involved in RE, teaching middle school youth group and recently was trained to be an OWL (Our Whole Lives) facilitator. I have served on the Board for the past two years, been a member of the Financial Stewardship Committee and the Holly House Development Task Force. Each of these roles has helped me understand more about the church, its needs, the concerns of membership, as well as our history and how to best look forward to the future.

As for my education and work experience, I have a BA and an MBA. I have worked as an accountant, technical writer and project manager. For the past eight years, while my children were young, I taught Montessori preschool / kindergarten. You could say that helped solidify my number facts and my ability to play well with others. I look forward to learning and growing with our community. I promise to do my best, demonstrate patience, and treat those around me with compassion and respect. I feel confident you all will do the same for me. I am blessed to be part of this community we love so much.
