Dear Junior Student and Parent/Guardian:

It is our pleasure to invite students and parents/guardians to schedule an in-person or virtual post-high school planning conference sometime this winter or spring. In this meeting, we will provide you with a variety of materials and information to help you begin this process. These meetings will open on December 1st (parent conference day) and dates may be scheduled through April.

We recommend that parents call the Student Services Office at either 610.240.1017 for **last names A-Liu** or 610.240.1006 for **last names Liv-Z** at their convenience to schedule a conference. Since the meeting is with both parent and student, it is helpful to know your student's availability / free period(s) so we can schedule the meeting when your child does not have class.

As you may be aware, T/E uses Microsoft Teams as its virtual platform. If you schedule a virtual meeting, you and your child will receive a link to join the Teams meeting. If parents join virtually through Teams, students may choose to meet in Teams or come to the counselor's office.

Attached, please find our *Parent Reflection Sheet*. As counselors, we are always interested in learning new information about your child. This form is a valuable tool for us as we begin to write recommendation letters for college. Please complete the form and email it to your child's counselor before the conference. You can also send it at a later date.

Additionally, please mark your calendars for Thursday, March 12th at 7PM for ***Financial Aid Evening***. This *virtual* program will go through the financial aid process as it relates to college planning.

We look forward to meeting with you.
