

Dear Parents of 5th graders,

All students entering 6th grade in the fall need a Tdap vaccination to comply with Colorado law before school begins. Please see that your child receives this immunization and have a copy sent to the school nurse before the first day of school. Your child will be excluded from school if this is not received. Your physician or clinic may fax these records to us at 970-587-6398 if you prefer. Medical, and non-medical exemptions are available at the school or online: To submit a non-medical or medical exemption, go to: www.colorado.gov/vaccineexemption. We must have either the completed record or a signed exemption by the first day of school to avoid expulsion or suspension of your student in accordance with Colorado Revised Statutes 25-4-902. Thank you for your attention to this important matter.

Your School Nurse

Estimados Padres,

Segun nuestros archivos, su estudiante requiere las inmunizaciones siguientes condescender con Colorado ley antes de escuela empieza esta caida favor de ver que su nino recibe estas inmunizaciones y tiene una copia le envio a la escuela antes del primer dia de escuela.
