SCHOOL ANNUAL Jostens®

REPLAYIT.®
KNOW IT.
USE IT.
LOVE IT.

The School Annual by Jostens ReplayIt® app and companion website empower students 13+ years of age, parents, teachers and club advisers to upload and view photos from their school community while simultaneously giving yearbook staffers a broader mix of school activities and memories for potential use in the yearbook.

Capture all the moments.

The yearbook committee can't always be physically present to capture all the emotional moments that happen on and off school grounds, but ReplayIt can. ReplayIt boosts your student's odds of getting covered in the yearbook! Use ReplayIt to upload and share the moments the yearbook committee can't be there to capture, like:

- Classroom Activities
- PTO Events
- Holiday Parties
- School Concerts
- Special Assemblies
- Celebrations and more

The only limit is your imagination.

With ReplayIt, you become a virtual yearbook staff member! It's safe and fully moderated, ensuring audience appropriateness. Downloading is a snap. ReplayIt is available on the iTunes App Store or Google Play and best of all, it's totally free.
