

# Calling all Readers!

**"Love of Reading Week" is February 12<sup>th</sup>-16<sup>th</sup>**

Our Valley Creek goal is to build our students' passion and understanding of the importance of reading. We are looking for volunteers to help promote the value of reading in everyday life. Volunteers are encouraged to read any type of book: poetry, a picture book, or a chapter from your favorite children's book. You can read to any grade level of which you feel comfortable. We ask that you briefly discuss with the class why reading is important in your life. We would love to have parents, as well as, community members come and share their joy of reading. If you wear a uniform (Military, Law Enforcement, Firefighter, Chef, Doctor, Athlete, Etc.), please consider reading in your uniform. We look forward to a great week of guest readers.

**\*All guest readers must be MISD volunteered approved. To be approved go to  
<http://www.mckinneyisd.net/parents/volunteer/>**
