

Finding the right location for your larger meetings and incentive events can be a challenge. Your attendees and customers want a property that has all the amenities to make their conference convenient, a variety of restaurant choices within the property or walking distance and in a metropolitan area where they can extend their trip to add some leisure activities.

We have outlined below the 2018 top 10 list of properties as chosen by Cvent that takes into account the interests of the attendees and the needs of the event organizer. The properties across the U.S., Europe, Asia/Pacific, and Middle East/Africa based on the following ranking criteria:

- Total RFPs
- Number of awarded RFPs
- Total room nights
- Awarded room nights
- Market share in its area
- Conversion rate
- Unique profile visits

The top 10 hotels for meetings and events in each region are:
