

Greetings Artist,

We invite you to submit work for our 36th exhibit of the Art at City Hall featuring our “Abstraction” Show. Abstract art looks easy enough but if you have ever tried it, good abstract art takes practice. This is a chance to spread your wings and learn something new. Abstract is really the art of mark making and feeling free to play. The hard part is conscious decision making to add or subtract what you have put down. If you have questions, please feel free to contact me at cheryl@cordovacouncil.org

IMPORTANT DATES:

- ❑ **Digital Submission Deadline: Mon. Jun. 28** Upload to <https://www.cordovacouncil.org/call-for-artists>
 - ❑ **Artists will be notified by June 30th via email – make sure you type your email correctly**
 - ❑ **ARTIST RECEPTION – WEDS JULY 14TH @ 5:30-7:30 PM.**
 - ❑ **Art Intake July 11th in Lobby of City Hall 8-10 am.**
 - ❑ **Art Pick-Up Sunday Oct. 17th between 8-11 am in the lobby at City Hall, or the 18th in suite #117 from 8-5 pm**

Wiring 2D Art

With Rancho Cordova City Hall's art installation system, 2D artwork hangs best if wired as shown below.

- Place hanger (D-rings preferred) **NO LOWER THAN $\frac{1}{4}$ down from top of frame**. Screw these into the inside sides of picture frame or canvas frame structure.
- For metal frames, place wire hardware NO LOWER THAN $\frac{1}{3}$ down from top of frame.
- IF YOU WIRE IS PLACED FURTHER THAN $\frac{1}{3}$ FROM THE TOP, YOUR PIECE WILL HANG UNSUCCESSFULLY FROM ANY WALL HANGING SYSTEM.
- Be sure that wire is not so loose as to stretch beyond the top of your frame.

And remember - no saw tooth hangers.

Thank you,
Cordova Community Council
