

5 for 5 UCC Mission Offerings

+ Other UCC Offerings & Local Missions

Trinity United Church of Christ in Tiffin is proud to be a 5 for 5 church. In addition, each month a different mission or two is highlighted and the congregation gives to a specific program. Some months it is one of the 5 UCC Special Offerings and other months it may be a local ministry or other UCC sponsored missions. The monthly emphasis includes some education about that ministry so the members understand and can visualize where their gifts are going. The church's mission committee also supplements giving to these causes and makes special gifts when there is a need.

Our most recent project has been to furnish a room at the new homeless shelter, ["Transformation Life Center, Seneca County, OH" in Tiffin.](#)

"By transforming lives, we are transforming our community."
