

#### THE SEVEN LAST WORDS Lounge Study @9:00

Starting February 11<sup>th</sup>, we will be beginning our Spring curriculums for all children and youth. At 9:00 each Sunday, all-ages (even parents/family) are welcome to participate in a Bible Study located upstairs in The Lounge. The study, "Seven Last Words" by Illustrated Ministry, is an art-based curriculum with discussions about the seven last sayings of Jesus from the cross. If you are looking for a way to reflect and grow this Lent, this study is sure to be both fun and rewarding, whatever your age.

We will also be offering a Godly Play story each week during Children's Chapel. This Lent we will be hearing the stories from "The Faces of Easter" that journey from Jesus's birth to death. Ages 4k-5<sup>th</sup> grades are invited every week where we will also sing songs, craft, and enjoy feast together.
