

Dear Downtown Neighbor,

It's that time of year again when we recognize the tremendous efforts of **Tampa's Downtown Clean & Safe Team**. If you are unfamiliar with this team, it is composed of Downtown's Clean Team, Guides, Homeless Liaison, Ambassadors, and Driver-Ambassadors – All of whom contribute toward Downtown Tampa's clean, safe, and welcoming image.

The Guides aid all Downtown patrons and business owners by providing directions and recommendations, assisting stranded motorists through free car jumps and tire inflations, and collecting important data about our Downtown. Our Downtown Ambassadors also provide customer-centered services while providing high-level public space beautification and maintenance. The Clean team maintains over 60 planters throughout Downtown, as well as, our Downtown sidewalks, gutters, and other public spaces through litter and graffiti abatement, debris and waste removal, and spot pressure washing. Our Homeless Liaison assists unhoused individuals and families within Downtown by building relationships of trust, providing them with essential items like hygiene products and meals, connecting them with additional outreach and housing services, and coordinating transportation needs. The newest addition to our Clean and Safe Program is our DASH (Downtown Area Shared Hubs) Driver-Ambassadors. Trained as Downtown Guides, our Driver-Ambassadors transport riders throughout Downtown via our bright yellow Teslas.

As a stakeholder in Downtown Tampa, the Partnership invites you to show your appreciation to the team by contributing toward a **"Thank You"** bag, which will be presented to each team member at the Annual Employee Recognition Luncheon on December 8th, 2023. Each year, these bags serve as a token of our, and other Downtown leaders, appreciation and gratitude for the significant impact the Clean and Safe team has on our Downtown.

In the past, we have received various items, including a free-night hotel stay, food/beverage coupons, company swag, admissions tickets to popular Downtown events or attractions, and handwritten thank-you letters. The Clean and Safe Team currently has a **total combined staff of 50**. If you are unable to supply one item for each team member, you are more than welcome to provide a donation that can be given away as a door prize.

So that we are aware of your intended participation in advance, please **complete and return the enclosed form by December 1st**. Items can be delivered to 400 N. Ashley Dr. Ste. 1010 from when the form is returned to December 4th. In recognition of your contribution, your company will receive business name acknowledgment on the Partnership's social media outlets and in our Monday Morning Memo. Please contact me at [jandrews@tampasdowntown.com](mailto:jandrews@tampasdowntown.com), if you have any questions

On behalf of the Partnership and the entire team, **thank you!** We greatly appreciate your continued support, dedication, and commitment to our Downtown.

Sincerely,

Jaylyn Andrews  
Public Space Operations & Programming Coordinator
