

# LANDSCAPE BUZZ

A BI-MONTHLY UPDATE FROM MYATT  
LANDSCAPING & CONSTRUCTION

JUL/AUG 2022 • VOLUME 4

Wendell Falls  
EDITION

*Limelight Panicle Hydrangeas*

## FEATURED PLANT: PANICLE HYDRANGEA

Panicle hydrangeas (*Hydrangea paniculata*) are tough shrubs that bloom profusely from July-September when few other shrubs are blooming. They thrive in full sun and tolerate drought and urban conditions better than other hydrangeas. The blooms make long-lasting cut flowers!

Some common cultivars are 'Limelight', 'Little Lime', 'Pinky Winky' and 'Pee Gee'.

*Pinky Winky Panicle Hydrangeas*

## COMPLETED TASKS

- Irrigation start-up and inspection (Apr-May)
- Spring annual flower installation (delayed to week of May 9)
- Warm-season turf fertilizer application - 1 of 3 (May)
