Neighbors,

I am pleased to share PORCH has come to Wendell! With your support we will make a sustainable impact monthly at Wendell United Methodist Church Food Pantry.

More than 10% of the US population, including 10 million children, experience food insecurity daily. PORCH is a grassroots group of 2,000+ volunteers, in 13 states and 600+ neighborhoods, fighting hunger and food insecurity, through neighbors helping neighbors. Together we can support over 100 families right in our community.

Our model is simple. Each month neighbors leave non-perishables on their porch, volunteers collect those bags, and deliver them directly to our local pantry. A reminder email will be sent 3 days before pick-up. Our local pantry has requested pasta sauce, canned pasta, canned meats, soup and canned vegetables/beans.

Our monthly food collection is the **1st Monday of each month, 8am-12pm**.

Our next **PORCH pick-up will be March 2nd.**

If you'd like to participate, simply **scan the QR code below to be added to the list.**

There is no monthly commitment - donate what you can when you can every month by simply replying to the reminder email.

Every food item is important, and as more neighbors participate, we will have a larger impact on those who need it most.

Please do not hesitate to contact me if you have any questions. Thank you for your consideration & generosity.

Sincerely,

Colleen Bullock
