PRESENTED BY

**Deepa Kabirdas, MD**  
WakeMed Heart & Vascular

AND

**Wake County EMS**

When it comes to caring for your heart, the experts at WakeMed don't skip a beat. We're teaching the basics of CPR\*, along with the warning signs and symptoms of heart attack. Sign up early to reserve your place for this **FREE EVENT**. After all, is it too much to ask to learn how to save a life?

Program includes a presentation by WakeMed cardiologist and Wake County EMS experts followed by a 30-minute CPR Anytime activity.

To register, contact Brittany Clark at [bclark@ccmcnet.com](mailto:bclark@ccmcnet.com)

*\*CPR Anytime is a bystanders education program  
and is not considered a CPR certification class.*
