STATEWIDE WEBINARS	- Hosted via Zoom	TIME	SET	CKC	COST
<b>Oct. 11</b>	<a href="#"><u>Creating a Language– Rich Environment</u></a>	6:00 pm - 9:00	Set 2	LEC	\$10
	Language development is the single most important predictor of later school success. Preschool teachers play a critical role in developing language by creating a language-rich environment in which children have multiple opportunities to engage in language activities. This presentation will discuss strategies for increasing vocabulary, developing phonological awareness, and encouraging print awareness and emergent writing skills. <b>Trainer: Deborah Laimon</b>				
<b>Oct. 23</b>	<a href="#"><u>How Bilateral Integration Effects Positive Behavior</u></a>	6:00 pm - 9:00	Set 2	UGB	\$10
	Dive Deeper into the Development of Bilateral Integration. This training will focus on the importance of developing bilateral coordination as it is the foundations to emotional regulation and self-esteem. Positive behavioral outcomes are directly correlated to how a child is able to self-regulate and integrate their senses. <b>Trainer: Minaz Chauthani</b>				
<b>Nov. 14</b>	<a href="#"><u>Instructional Strategies to Promote the Success of All Children-While Including those with Diverse Needs</u></a>	6:00 pm - 9:00	Set pending	DIV	\$10
	This session promotes participants' use of evidence-based instructional and engagement strategies that increase the accessibility of activities and curricula for children with diverse behavior support needs. These practical strategies empower professionals to make their guided group interactions impactful for all while reducing avoidable behavioral interruptions and escalations. When each child can find success both professionals and children benefit. <b>Trainer: Benjamin Smith</b>				
<b>Nov. 29</b>	<a href="#"><u>Growing Strong roots for Little Gardeners</u></a>	6:00 pm - 9:00	Set 2	LEC	\$10
	Participants will determine their program's level of cultural involvement in current practice with gardening as well as examine gardening practices that encourage the development of culturally relevant gardening activities that are inclusive for all children <b>Trainer: Natalie Gordon</b>				
<b>Dec. 12</b>	<a href="#"><u>How Can I Help Me?</u></a>	6:00 pm - 9:00	Set 2	PPLD	\$10
	Identifying Caregiver Compassion Fatigue & Developing Strategies to Build Strong Social & Emotional Health Skills In this session, we will examine factors that lead to burnout and warning signs of compassion fatigue. We will select practices to help the caregiver develop strong social and emotional health including mindfulness, self-care, and resilience. <b>Trainer: Kelley Lawson</b>				
<b>Dec. 20</b>	<a href="#"><u>Documenting Observation Confidently &amp; Professionally</u></a>	6:00 pm - 9:00	Set 2	OA	\$10
	<i>Support the clever communicators in your early education world! From the importance of interactions to building and extending language to multilingual learning, join us to explore infant/toddler speech and vocabulary from the perspective of an early intervention speech and language pathologist.</i> <b>Trainer: Cassandra Hernandez</b>
