Monday April 8	3-6:30 pm	\$49	1		Roseburg City Library	Ernesto Sandoval Rodriguez, Jr.	Talk Matters: Focusing On Meaningful Conversations Engaging children in meaningful language throughout the day helps to build oral language development. Language is the process of Speaking and Listening to communicate meaning. Children learn language as they interact with responsive adults and peers and experience language use in meaningful context. Register
Tuesday April 9	10 am-1 pm	Free	1	Program Management (PM)	UCC	Brandi Myers	Family Child Care Overview A required class to become licensed as a registered family child care provider. Learn about rules and receive resources to apply for the license Register
Thursday April 11	6:30-8:30 pm	\$10	2		UCC	Brandi Myers	A Home for Your Family, A Home for Mine Set aside your center-based notions of what a child care environment should be and examine the advantages of providing care in your family's home setting. Explore how to apply effective early learning strategies while capturing the feeling of home. Provide a place that feels like home to the children in your care, their families, and your own family. Register

DATE	TIME	FEE	SET	CORE KNOWLEDGE CATEGORY	LOCATION	INSTRUCTOR	CLASS
Saturday April 13	9 am-12pm	\$10	2 Pending	Human Growth & Development HGD	UCC	Melinda Collier	Attachment, Trauma, & Healing Participants will learn how trauma affects attachment in early childhood development and will learn strategies to help a child with attachment disorder in their care. Register
Thursday April 18	6-8 pm	Free	1	Human Growth & Development HGD	Douglas ESD	Ryan Zeedyk	Technology for Tots How do screens affect a child's brain? How much screen time is appropriate, if any? What age should children begin using screens? In this tech workshop, we will discuss everything from sense stimulation to time management. Leave with valuable resources, some goodies to help manage technology in your home, and the confidence that you are best preparing your child to function in this digital world. Register
Friday April 19	6-8 pm	Free	1	Human Growth & Development HGD	Douglas ESD	Lisa Austin	Baby 101 How much time should babies spend in front of a screen? How can you engage an infant's mind? Parents and caregivers can learn some baby basics and helpful tips, to have a few tricks up their sleeves to help keep life with baby running smoothly. Register
