

Charlene Shaw

My name is Charlene Shaw I am the Assistant Director of Child Care Resource and Referral. I have been in Klamath Falls for the past 20 years. I am blessed to be a mother of 4 awesome children: Anthony, Jesse, Justice and Charity and a grandmother to Trinity Holland born on the fourth of July 2020.

I have been an early childhood professional for over 25 years. I am passionate about children, their families and also the people who take care of them. I want to promote trauma informed practice, encouragement, and support to partners across our state. I feel that every child has the right to a high quality education and that every family deserves equitable access to the supports they need to be successful.
