Registration: \$75/ Early Bird \$65

Keynote Speaker, Dr. Amy Stoeber

Dr. Amy Stoeber is a licensed psychologist with a private practice and provides training, consultation and education. Among her specialties is working with parents and professionals to help create resilient children and thriving families, guiding them to heal their stress and trauma through connected relationships. Her experience includes serving as a statewide trainer for the Oregon Department of Human Services and subject matter expert to promote child wellness in pediatric settings on behalf of the Children's Health Alliance.

Saturday afternoon breakout sessions provided by Inclusive Partners, ADAPT, and ACES
Gift Bags and Door Prizes throughout the day

COVID 19 safety protocol will be observed for the duration of the conference.
