

New Infant/Toddler Network with Small Business Management

Do you care for infants and toddlers? Would you like to but can't make it work financially? Our new year-long cohort will provide expert training in infant/toddler care AND offer small business management training from our Small Business Development Center at UCC. Participants who complete the year will have the support they need to become a Spark program and take home a completion certificate from the SBDC. Please call Theresa Songer-Tuckey for more information! Class is filling up! 541.440-7718

One virtual class a month, two topics each class. Individualized supports and advising each month all-starting February 2021.

Class length 2.5 hours once a month.
