

## Unitarian Universalist Church of the Restoration Voter Registration/Engagement Options

Many of us at UUCR are feeling called by our conscience and our faith to help as many voters in Philly and Pennsylvania register to vote and actually vote, to make sure their voices are heard at this critical time in our history (fall 2020). The Justice Council has compiled some options for doing this work that are nonpartisan but fueled by progressive values. We have tried to include many different ways that you can get involved, to appeal to as many individual styles and preferences as possible.
