4-H 101

Join us to learn about 4-H!

4-H 101 is a FREE introductory session designed for families who are interested in 4-H or who have recently joined.

The session will include a general overview of the 4-H program and the many opportunities available to youth and families. Following the presentation, participants will have the opportunity to join a live Q&A with current 4-H staff, members, and volunteers.

Come learn what 4-H is all about and discover how your family can get involved!
