## Connecting People to Christ

### ANNOUNCEMENTS

#### Free Community Breakfast

Wasn't last month's Free Community Breakfast just so much fun? It was a great success. The kids running around and playing silly games, meeting some of our community and having incredible conversations with them, and enjoying some delicious pastries and yummy food! We had about 20 church family volunteers and about 20 people from the community partake of the elaborate buffet of breakfast goodies. Oh, wait! You missed it? That's ok, we are doing it again April 2nd @ 10 am and we personally invite you to join the fun if you haven't already.

For more information, please see Mary Ann Rule or Danielle Krivda or better yet, please text BREAKFAST to 941-877-5654 to get all the information you need to be part of this growing ministry. Ready to sign up right now? Just go to <http://signup.com/go/AE4oJJ> for a list of all the items we need, or to let us know you can help. We start set-up at 9 am and are cleaned up by 12 pm. We can't wait to stand together with you in service. Jesus has called us to serve, let us carry out His request!

#### Impact 2017

Dr. Allan Machado, Special Assistant to the Florida Conference President, is coming to Naples SDA Church to lead out in a special Easter Week Series called—"The Road to Calvary : Sharing the Passion of Jesus". There will be nightly meetings from April 8th through April 15th at 7:30 pm.

Each night, Pastor Machado will share what happened on that important night 2000 years ago as Jesus made His way to the Cross. We're delighted that we can host this important series.

There are announcement cards available at the church to share with your family, friends, and neighbors inviting them to share in this week long Easter Journey from the last week of Jesus' life.

#### Plant Project

The quality of the landscape in front of the church has been declining over the years since the building opened. To help us bring it back to its original, beautiful, state, we worked with a local landscaper to come up with a plan. The plan is not cheap, not in the budget, and it will take the full support of the congregation to raise enough funds to complete. Flags are placed around the front to represent components of this plan: **orange flags are for shrubs, white flags are for sod and top soil, pink flags are for rock and mulch. The orange flags are a \$30 donation, the white are a \$25 donation, and the pink are a \$15 donation.** We are two weeks into donations and are 20% of the way to the goal. If each member donates for a flag, we can make this a reality. Please make your donation in a tithe envelope marked Plant Project. Any questions can be directed to Laura Carlisle at 239-775-2867.

#### "My Sis" Prayer Line

We have started a women's call-in prayer line that happens twice a week on Thursdays @ 8:30-9:00 pm and Sundays @ 7:30-8:00 am. All you have to do to join is call in the free conference call by dialing: 712-770-4074 and entering the access code: 502270 when prompted. We follow the prayer guidelines starting with a small devotion; Praise, Confession; Supplication (Prayer); Thanksgiving and close. You are invited to join in and just listen or participate. Please join us and we know you will be blessed.

#### "50th Anniversary"

The 50th Anniversary is coming up December 2nd. We are hoping for a great and joyful reunion of members and friends of Naples SDA Church. In order to make that day successful, we are hoping all our members will give \$1/year that the church has been in existence. If each member would contribute \$50, our 50th Anniversary expenses would be covered. Each of us can mark our offering envelopes with "50th Anniversary" when we donate or we can use PushPay available online or in the church narthex.

## Upcoming Events

- April 1 @12:45p  
Lunch with Friends
- April 2 @10a

## Naples Adventist Christian School News

To stay connected with all the great NACS events & announcements visit our

In April, our Naples Adventist Christian School (NACS) is focused on education of our 58 students while getting ready for graduations and planning for the next school year. We have most of this year's scholarship students approved for scholarships for next year. Kindergarten Round-up is April 6th during the school day to show how awesome our Kindergarten class is. We are organizing a School Advisory Committee to market our school to the community so we will not be Naples best kept secret anymore and address the possibility in distance learning. This is a new committee that will report to the school board and will have at least two members from the community.

## Offering Schedule

April 1 : Local Church Budget / April 8 : World Budget /  
April 15 : Local Church Budget / April 22 : Local Conference Advance /  
April 29 : NAD Evangelism

## Oh, No! It's Not Taxes Again!

"Well, tax time is here again and it strikes fear in the hearts of many Americans. In the late 1980's, I purchased my first tax software. The box contained a large chart which I carefully spread on the floor. It had small icons representing every single Internal Revenue Service tax form that existed that year, with lines running all over showing how a specific line on one form was linked to a corresponding line on another form. I looked at the chart and turned to my wife and said, "we're all going to jail. No one can understand this mess." Maybe you aren't worried about your taxes but you probably have to admit that this is still not your favorite time of year. Taxes can be overwhelming. Even if you have someone else do your taxes, you still have to pull together all your records and spend significant time on the task. It may be too late for last year's taxes since they will probably be completed by the time you read this, but I want to talk with you about planning for next year's taxes. **DO IT YOURSELF OR NOT?** Probably the first question to ask is, "should I have someone else do my taxes or do them myself?" What is your level of competency? If you don't have many investments or sources of income you may have no problem filing on your own. If you have a complex financial situation but you also have sophisticated knowledge on taxes, then doing them yourself can be appropriate. Of course, it could be you just don't like doing taxes or that the expertise of another person gives you peace of mind. **ORGANIZE YOUR FINANCES AROUND TAX TIME**—I use a computer to track my finances. Because of my computer system, my paper filing system is very simple. For receipts, I have twelve folders—one for each month. When I need to find a receipt, I first search for it on my computer and then look for it in the appropriate month. I do have another set of folders alphabetically organized that list such categories as Bank Accounts, Credit Cards, Insurance, Utilities, etc. where I keep the paper statements and other documents. **CONCLUSION**—Taxes can be scary and challenging but just like most things in life, they are much simpler if you break them into smaller tasks. By organizing your finances around your taxes, you can make the job easier for yourself or your tax preparer, ensure better accuracy, and have less worry." by Edward W. Fargusson, M.Div.
