Illinois Income Tax Filing and Payment Extension

This bulletin is written to inform you of recent changes; it does not replace statutes, rules and regulations, or court decisions.

In light of the recent Disaster Proclamation issued by Governor JB Pritzker and by his direction, the Illinois Department of Revenue (IDOR) is following the federal government in providing special tax filing and payment relief to individuals and businesses in response to the COVID-19 Outbreak.

The filing deadline for Illinois income tax returns has been extended from April 15, 2020, to July 15, 2020.

This filing and payment relief includes:

The 2019 income tax filing and payment deadlines for all taxpayers who file and pay their Illinois income taxes on April 15, 2020, are automatically extended until July 15, 2020. This relief applies to all individual returns, trusts, and corporations. This relief is automatic, taxpayers do not need to file any additional forms or call IDOR to qualify.

Penalties and interest will begin to accrue on any remaining unpaid balances as of July 16, 2020. You will automatically avoid interest and penalties on the taxes paid by July 15, 2020.

Even though the deadline has been extended, IDOR encourages taxpayers expecting a refund to file as soon as they can. The fastest, most secure way to receive a refund is to file tax returns electronically and request direct deposit into a checking or savings account. Taxpayers who have already filed a return can check the status of their return by using the **Where's My Refund?** link located at mytax.illinois.gov. Individuals may also utilize MyTax Illinois to make payments and look up their IL-PINs, amounts of any estimated tax payments they have made, and, when necessary, amounts reported on Form 1099-G.

Note: This does **NOT** impact the first and second installments of estimated payments for 2020 taxes that are due April 15 and June 15. Taxpayers are required to estimate their tax liability for the year and make four equal installments. Taxpayers will not be assessed a late estimated payment penalty if the amount of the installments equals 90% or more of the current year's liability or 100% of the previous year's liability.
