Last week was a busy one for the athletic department with teams still competing in the state playoffs! The girls' tennis team lost to Wesleyan in the Elite Eight, the boys' baseball team lost to Whitefield Academy in the second round of the state playoffs, and the boys' soccer team lost to Atlanta International in the state championship match. Congratulations to these players and coaches for their team success this spring!

The track and field teams participated in the sectional meet Saturday where a whopping 26 athletes advanced to the state meet today through Saturday at McEachern High School! The track and field teams are the final Spartan teams still competing in the playoffs.
