## **Materials Pick-Up Schedule (Computers, chargers, textbooks, instruments\*, lunch boxes/bags, etc.)**

The schedule below is an attempt to keep our community safe in the best way(s) possible and to make the temporary return to campus as efficient and as effective as possible. Please remember to follow social distancing guidelines while you are on campus. If you have more than one student, please come at the time scheduled for your youngest child. This will help us manage traffic on campus and will also allow our cleaning crews and maintenance staff to plan accordingly.
