Bob Copper

Bob Copper is the founder and owner of Self Storage 101, the industry's largest full-service consultancy firm, specializing in market and feasibility studies, due diligence projects, and asset value improvement projects. He also created Copper Storage Management, the industry's leading third-party management company specializing in remotely managed facilities, and C3, a full-service call center system designed specifically for remotely managed facilities. Bob has been in the industry for over 25 years and is an owner and operator himself so he has a unique understanding of what it takes to get started in and be successful in this industry.
