

Tom Sapontzis, MAI - Valuation Services Director - Colliers International

Tom has been actively engaged in real estate valuation and consultation, since 2004. He has worked for an extensive group of clients including financial institutions, law firms, municipalities, developers and private owners. He has completed an assortment of appraisals covering a diverse range of assets and is part of the Colliers Self-Storage Specialty Group.

As part of the Colliers Self-Storage Specialty Group, he is focused almost exclusively on the valuation of self-storage use properties, providing appraisals, feasibility studies and market analysis studies. Notable assignments include: Life Storage facility in Manhattan, Prime Storage facility at 31-07 20 th Avenue, in Astoria, Moishe's Self-Storage in Long Island City and Keepers Self Storage in lower Manhattan.
