### IN THE ARTIST STUDIO ALL MONTH

**June 1 - "Face Print":** We're making colorful prints using faces as a guide. Grown ups will make the perfect model for this project!

**June 8 - "Mirror, Mirror is that me?":** Give yourself a look in the mirror and create a fun self-portrait with oil pastels in the style of Frida Kahlo.

**June 15 - "Pick a Picasso":** Let the roll of the dice decide what your self-portrait will look like with our Picasso portrait game!

**June 22 - "A Hairy Collage":** Inspired by the works of Lorna Simpson, we'll make cool, mixed media collages that focus on our hair!

**June 29 - "Pixel Portrait":** We will use graph paper to plan out a blocky portrait that resembles something out of an old school video game!
