

The Dalles Art Center invites you to an unforgettable evening in support of the arts. Our Annual Auction returns on June 21 with a 1950's Sock Hop theme, hosted at the vibrant and nostalgic National Neon Sign Museum. This year's event brings together community, creativity and culture in one of the most unique venues in the region.

Guests will enjoy a retro diner-style dinner provided by Burgerville, paired with a complementary beverage curtesy of Working Hands Fermentation. For dessert, Angela's Panaderia will serve a classic selection of donuts. The evening features live music from Willy & Nelson, celebrating the sound of the 1950s, as well as a spirited costume contest with prizes for standout vintage style in the following categories:

- Greatest Greaser
- Poodle Skirt Queen
- Sock Hop Sweethearts (best couple's costume)
- Neon Nostalgia (color is key)
- Best Socks
- Retro Royalty (best vintage look)

The highlight of the evening is our live auction, hosted by local MC and Auctioneer Dennis Morgan, beginning at 7:30 PM. This auction will showcase a curated selection of community-donated artwork and experience-based packages. A preview of auction items will be shared on our social media channels and event website in the days leading up to the auction.

Doors open at 6:30 PM. Tickets are available by seat or by the table, but availability is limited, and early reservations are strongly encouraged.

This annual fundraiser is a critical source of income for The Dalles Art Center, providing nearly 10% of our annual operating budget. Your participation directly supports our ability to present exhibitions, host classes and public programs, and keep arts accessible in the Mid-Columbia Gorge community. If you are unable to attend, you can still make a meaningful impact. Donations are gratefully accepted through the event website, and every contribution helps us to meet our fundraising goal and sustain the work we do year-round.

This event is made possible through the generous support of the National Neon Sign Museum, Working Hands Fermentation, and many community-minded donors.

Reserve your ticket, table, or make a donation today at: [auctria.events/thedallesartcenter](https://auctria.events/thedallesartcenter)

**Accessibility note:** Please be advised that the National Neon Sign Museum does not have elevator access. Volunteers will be on-site to assist guests with mobility needs.

Thank you for supporting the arts and for helping The Dalles Art Center continue to thrive as a creative hub for our community.

Warm Regards,

--

Ellen Woods Potter

Executive Director
