

Special Congregational Forum Minutes

December 28, 2025

1. Call to Order: Moderator, Jay Crist called the meeting to order at 10:20 AM
2. Slate Ballot Explanation: Jay Crist explained that the need for this special Slate ballot was due to the omission of the Fellowship and Hospitality Ministry team members and their terms at the November Congregational Forum. Also following the approval of amendments to the constitution at the November forum there are now positions that need Congregational Forum approval.
 - A. Minister of Visitation: The Leadership Team is bringing to you the possibility of a Minister of Visitation volunteer position for your approval. See explanation on the slate for details.
 - B. Fellowship and Hospitality: The ministry team members and their terms were omitted in November and now need approval.
 - C. Deacons: The Deacon Ministry team needs more Deacons to serve and a couple willing to serve needs approval.
 - D. Education: The Education Ministry team needed two more members and one person has agreed to serve and needs approval.
 - E. Assistant Church Clerk: After review of all officer and ministry team positions it was noted that the Church Clerk position is the only one that does not have an assistant. The Leadership Team approved adding this position and this now needs approval.
 - F. Unlimited Term Positions: The motion for certain teams and positions to have unlimited terms was approved at the November Congregational Forum.

This includes the Facility Care Team, the Facility Use Team, the Treasurer, and the Assistant Treasurer. The Leadership Team has selected members for these teams and positions and they need your approval.

3. Slate Completion and Collection: Church members were instructed to complete the slate and give to an usher during the offering collection or give to an usher as they leave the service.
4. Questions: An opportunity was provided for questions. There were no questions raised.
5. Adjournment: Moderator, Jay Crist adjourned the forum at 10:34 AM

Respectfully submitted,
