### Congregational Forum Approval of Proposed Motions

There were a total of (10) ten motions presented at the Congregational Forum this past Sunday. There were the motions that had been handed out in the forum packets and listed in the E-news the last two weeks.

After explanation and discussion on each of the motions, the members of the congregation voted on each motion separately. There were 60 members voting members participating. All ten of the motions passed with a (YES) vote of 51 to 60, depending on the motion. These motions are effective immediately.

Thanks to everyone on the Ministry Teams, Leadership Team, Staff and Congregational members who supported and participated in the Forum.
