The need for charity care has never been as vital as it is today. Reimbursements from government agencies are threatened, while the cost of caring for our residents continues to increase.

Your gift to The Good Samaritan Fund helps to provide a vital link in assuring that all residents receive the quality care they deserve. Gifts of all sizes ensure that the legacy of compassion that Cross Keys Village—The Brethren Home Community has become known for will continue.

Honor or memorialize a loved one while benefiting someone in need by making a gift to The Good Samaritan Fund.

With a gift of \$25 you can personally release a butterfly at our May 21st event or have one released for you.

To make a gift, please return one of the enclosed cards with your contribution, or visit us online.
