

Special December 28th Congregational Forum Result

A special Congregational forum was held on December 28th for the membership to approve a special Slate/ballot. There were a couple of reasons for this special Forum.

- 1 - The Fellowship and Hospitality Ministry team was mistakenly omitted on the November Congregational Slate/ballot and needed approval
- 2 - At the November Forum the Education Ministry and the Deacon Teams needed more members but did not have enough volunteers. Both Team had members that now needed approval.
- 3 - At the November Forum the membership approved the positions of Treasurer, Assistant Treasurer and Facility Care to be unlimited term positions. The members for these positions needed to be approved.
- 4 - The Leadership Team approved a Temporary Volunteer position of Minister of Visitation for a 6 month trail. This needed Forum approval.
- 5 - The Leadership Team decided that all Teams and Officers have a Vice Chair or an assistant except for the Church Clerk. The Leadership Team was seeking forum approval for this position.

There were 46 voting members at the December 28th Forum. All the items listed above were approved by the Forum with Yes votes of 42 to 46. So all items were successfully approved.
