ACE MENTOR PROGRAM LOS ANGELES/ORANGE COUNTY

ARCHITECTURE • CONSTRUCTION • ENGINEERING

The ACE Mentor Program Los Angeles/Orange County's mission is to engage, excite and enlighten high school students to pursue careers in architecture, engineering, and construction through mentoring and to support their continued advancement in the industry. Since inception, ACE has awarded over \$15 million in scholarships to promising participants.

CHOC Children's

Children's Hospital of Orange County

Since its founding in 1964, CHOC Children's Hospital has been meeting the needs of children and families with first-class care and state-of-the-art facilities. CHOC has emerged as an extensive healthcare system, featuring a main hospital in the city of Orange, a second hospital in Mission Viejo, multiple community clinics and mobile health vans - ensuring that every child in Orange County has access to outstanding care.

Orangewood FOUNDATION

The mission of Orangewood Foundation is to prepare foster and community youth to reach their greatest potential. Founded in 1981, the foundation is one of the leading providers of services to these teens and young adults. Foundation programs focus on four critical areas: health & wellness, housing, life skills & employment, and education. Annually Orangewood serves over 2,000 youth. Beyond its programs, for thousands of youth in our community Orangewood means "family", "opportunity" and hope.

The Miller Foundation

The Miller Foundation was established in 2017 to inspire and empower higher education for students in need of support. The Miller Foundation achieves this by offering scholarships and guidance to students throughout their college experience along with supporting other local charitable interests.
