# Medfield on the Charles Car Show

## *Electric Vehicles (EVs)  New this Year!*

People appreciate learning about new technologies from others who have had the experience, rather than a salesperson. Prospective buyers are looking for answers to questions like:

- How different is it from a gas engine? Will I need to learn a lot of new technology?
- How do you manage the range?
- Does it take long to recharge?

There is no cost for showing an electric vehicle, thanks to Charlie Harris, sponsor of the show. Your car will not be judged. We will have a dedicated section for EVs.

**Sunday, June 26, 2022, 9 AM - 2 PM** (cars arrive from 8 AM)
