2025 Swap Opening – Important Info

Weds.

Volunteers have been busy, and **Swap will open for both drop off and shopping on [redacted] April 30th!** Prior to April 30th, consider donating to the Senior Center Yard Sale, or dropping items in the Big Brother walk in container just after the guard shack at the Transfer Station.

As in previous years, the Swap will be open for **drop off between 9 and 2:30, and shopping between 9 and 3:00, on all days the Transfer Station is open.**

You will need a **valid Medfield Transfer Station sticker** to enter the Transfer Station and access the Swap.

Unfortunately, **our permanent furniture tent was destroyed by wind and rain, and we expect it to take a few weeks before we get a replacement. So please, hold off on bringing any furniture until we post that we are ready for it!**

Additionally, we will need strong volunteers to help put the new tent up when it gets here. If you can pitch in, let Nancy know at n.nancyirwin@gmail.com
