Medfield Decarbonizers Webinar

Medfield residents will share their experiences with installing solar panels and heat pumps and driving electric cars. Also hear from a resident who has opted up to "Medfield 100" through Medfield Community Electricity.

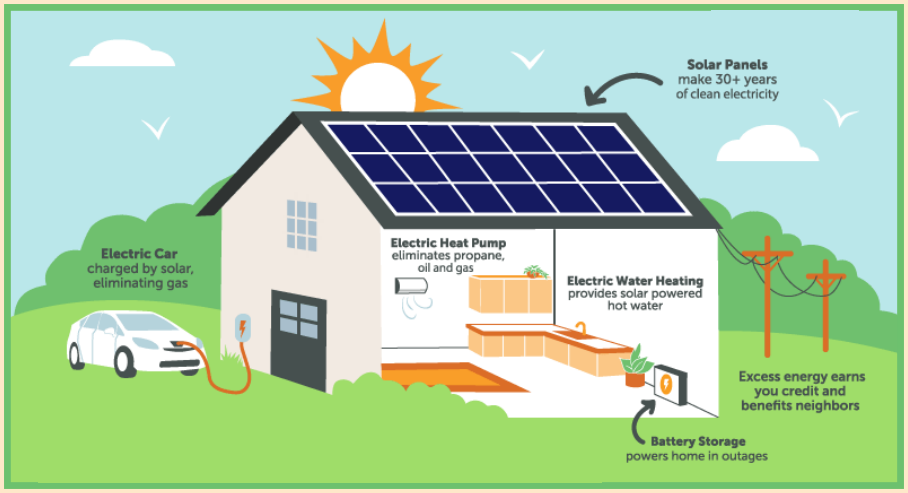

Join in on the discussion...

- Are you thinking of installing solar panels or heat pumps but don't know where to start?
- Are you curious about the logistics of purchasing and driving an electric car?
- Are you wondering what Medfield Community Electricity is all about and why it's important?

Sit back and enjoy a great discussion and sharing of ideas with this panel of Medfield residents around these sustainable additions to your home. There will be plenty of time for questions.

Tuesday, October 8th at 7:30 pm via Zoom
