Listening Sessions

We want your input!

Join the SAFE Coalition for one of 3 public listening session about the opioid abatement funds to be distributed to the Town of Medfield.

Information gathered at these sessions will help to inform how the town utilizes the opioid abatement funds in the best interest of the residents of Medfield.

- Share any personal impact or lived experience you have had as a result of the opioid epidemic
- Share your ideas about what resources you'd like to see in our community
- Learn more about the funds
- Ask questions

For any questions, please email MedfieldOutreach@medfield.net
