Recently we have been fortunate to be able to hire several new members to the department. Over the next few weks we will be highlighting these new member of our fire department:

James Abbott comes to us from Bellingham, MA. He is a Paramedic and a Firefighter. Prior to his time at Medfield Fire, James was a Firefighter/EMT for Bellingham Fire Department. He also has 6 years of experience working for a private ambulance service. If you see James around town feel free to welcome him to our town.
