Medfield Foundation 2024 Summer Camp Fund Appeal

It's time to think about summer! We need your help to send a kid to camp.

Medfield Foundation (MFi) relies on generosity of our Medfield residents to help make our local summer camps accessible to all our Medfield families.

Summer camp is a happy tradition for many children throughout Medfield. Perhaps you have many happy memories from your time as a camper. Summer camp provides us with cherished experiences where learning takes place out of the classroom and often in the great outdoors. Summer camp provides us with unexpected friendships born out of shared experiences that often last a lifetime.

Over the past six years, together we have raised over $45,000 and helped over 40 local families in need send their children to camp. These children were able to experience the special magic of our local summer camps including swimming at Hinkley Pond. More importantly, these children were given the opportunity to participate in new experiences and new friendships outside of the classroom.

This is your chance to donate to our 2024 Summer Camp Fund and make a tangible difference in a child's life. Please give generously. 100% of your donation will go towards sending a kid to camp this summer.

It's easy to make your tax-deductible donation:

> Send your check to the Medfield Foundation, PO Box 745, Medfield MA 02052. Please make your check out to Medfield Foundation, Inc and then please write "CAMP" in the memo line

Or use this link to donate: http://medfieldfoundation.org/donate/

Want more information? Please visit us at www.medfieldfoundation.org or contact us at info@medfieldfoundation.org.

We hope you will consider donating to the MFi Camp Fund to make summer camp accessible to all. And **if you are need of financial assistance for your children to attend a Medfield based summer camp**, please contact **Medfield Outreach** by calling 508-359-7121 x3421 or x3422 or via email at this address: medfieldoutreach@medfield.net

Did you know...

The Medfield Foundation (MFi) builds community by supporting local non-profit initiatives, raising funds for those in need, and distributing grants that positively impact Medfield.
MFi is a 100% volunteer run 501(c)(3) non-profit charitable corporation.
