Please join us for a food drive in memory of Jerry Ciancolo

Saturday, September 14th
10am-4pm at Shaw's

(Shopping lists of most needed items will be provided; financial donations will be accepted)

Jerry believed that no one should ever go hungry. He and his family are long-time supporters of the Medfield Food Cupboard - volunteering time, making financial contributions, and even donating a freezer. We hope you will join us in honoring Jerry's memory and years of service to the Medfield Food Cupboard by contributing food or financial donations.
