Good afternoon:

I am very pleased to appoint the following seven of our neighbors in Medfield to the School Building Bylaw Review Committee:

- Carolyn Casey
- Cynthia Greene
- Russ Hallisey
- Joanna Hilvert
- Sarah Lemke
- Thomas Marie
- Robert Morrill

I thank each of them for their willingness to serve. Service to Medfield is a hallmark of this group. All of us in town have had the opportunity to witness and benefit from their significant contributions. I am confident that this committee has deep insight, experience, appreciation of this important procedural step, and considerations of the best interest of the town.

Respectfully,

Scott McDermott
