Medfield 375th Anniversary Parade and Celebration Committee
459 Main Street
Medfield, Ma 02052

January 6, 2026

Dear Select Board Members,

The 375th Anniversary Celebration and Parade Committee respectfully requests that the Select Board formally dissolve this appointed committee.

After extensive research into the financial structure of similar celebrations in surrounding towns, the Committee has concluded that it should operate separately from the Town. This separation is necessary because sponsorship funds are currently being held by the Medfield Foundation, and the Committee needs its ongoing fundraising efforts to remain independent of the Town of Medfield's financial processes.

The 375th Anniversary Celebration and Parade Committee will continue to function as a volunteer organization under the same name. Elected Town Clerk, Marion Bonoldi, has agreed to serve as the liaison between the Committee and the Town of Medfield.

Sincerely,

Marion Bonoldi
