

Summer Classes

2019 Summer Season June 24 – August 31, 2019

We have lots of fun at The Little Gym! But don't let the smiles, high fives and laughter fool you—there's a lot of serious learning happening as well. We take a holistic Three-Dimensional Learning approach to skill development, incorporating lessons to help children develop physical, social, and life skills. All of our programs are curriculum-based, themed multi-week Learning Units that lead to a natural progression of skills. It gives kids the coordination and confidence to master a somersault at age three, try a handspring at age six and assert leadership skills both in the gym and at school.

All programs include opportunities for your child to discover unique talents and passions while making new friends and having tons of fun! Who said learning had to be so serious? Let's have some Serious Fun!

MORE SAVINGS, MORE FUN. We gladly offer 35% savings for each additional class taken by the same child, and 15% savings for each additional sibling enrolled.
