

MAKING MEANING THROUGH SENSEMAKING FOR GRADES K-6

An integrated Math/Science
professional learning opportunity with
SCOE Math Curriculum Specialist, Van Lay and
SCOE Science Curriculum Specialist, Amy Kraft

Teachers will gain practical, ready-to-use strategies to implement inquiry-based learning and a deeper understanding of integrating content that will support student success in these critical subject areas. Throughout the two-day event, participants will have opportunities for collaboration, idea-sharing, and hands-on activities that they can take back to their classrooms. Lunch will be provided each day, and attendees will have the chance to network with fellow educators.

DATES: JULY 14-15, 2025

TIME: 8:30AM – 2:30PM

COST: \$200.00

Lunch will be provided
