

ST. ELIZABETH SCHOOL

A National Blue Ribbon School of Excellence

Lunch Duty Parents

Guideline

Use the Fever Free App to complete your screening before entering the school. If you forget, alert the receptionist and someone will take your temperature.

You will relieve the teacher so she can eat lunch.

Stand in the classroom maintaining 6ft of distance from children. You may assist them with items, just do not touch anything that may go in their mouth.

You MUST wear a mask at all times.

Children should remain in their seats while eating as their masks are off. They may talk, but should not wander as 6ft of distance must be maintained.

After eating, garbage should be placed in the trash can, not thrown.

Students will be dismissed to the outside if eating and others will come in to eat. The teacher will check to be sure this occurs on time.

Students should behave appropriately at all times. No yelling or loud voices.

Extra Words of caution--If your children are sick, you should not come to lunch duty. If you have traveled to a state on the list for quarantine, please do not come to school. If a member of your family who you live with is sick, do not come to school. Please reschedule your day.

Thank you for your help.

Times

11:10-11:30 1 and 3 eat	11:55-12:15 6-7 recess
11:10-11:30 2 and 4 recess	11:55-12:15 5 and 8 eat
