

Penticton Chamber is thrilled to be hosting this year's [Valleywide Business Expo](#) in Penticton. It has been a long two years and we are ready to get together!

The Valleywide Expo was scheduled for 2020 and, of course, cancelled due to the pandemic, but we are back in "business" and would be so excited to have you representing Penticton.

This annual event is an excellent opportunity to support small business across the Okanagan Valley and experience what they have to offer all in one convenient location! The 2022 Valleywide Business Expo presented by TD Canada Trust will be held in Rotary Park, Thursday, May 26th from 4:30pm-7:00pm.

We are looking for 3 food trucks to join us, please contact us to learn more and to secure your spot.

At this time, we are budgeting for a minimum of 150 guests and 50 business vendor booths

- Each business vendor will receive (2) food truck tickets to be used at one of the (3) food trucks

- Food Truck vendors will be paid by cheque week following the event
- Vendor is encouraged to accept additional cash sales
- Each Food Truck Vendor will need to be self-sufficient – will not have access to power
