

KENOWA HILLS GIRLS BASKETBALL SUMMER CAMP

JUNE 6TH-9TH

@ KENOWA HILLS HIGH SCHOOL

\$50 PER PLAYER

GRADES 4-6

8-11 AM

GRADES 7-10

5-8PM

Each day begins with large group activities addressing a particular skill, such as shooting, individual defense, or a team concept. We focus on these drills to reinforce the skill development of each player and to raise the level of each player's game. After the large group activity players will then break up into assigned teams and move through a series of stations focusing on specific skills. Throughout the day there will be several friendly competitions between teams for prizes. The competitions will be tracked throughout the week on a big board. The goal of this basketball camp is to improve the level of play of each player and provide her with a rewarding and fun camp experience while improving basic game skills such as shooting, dribbling, rebounding and passing, improve offensive, and defensive positional play while meeting new teammates and making new friends.
