Our Mission

Catholic Central High School is an inclusive community rooted in the Catholic faith that prepares servant leaders for a Christ-centered life.

“What has surprised us most about Catholic Central is how our kids have truly grown not just in their faith and academics but also their sense of perseverance and community responsibility. Spending every day with friends, classmates, and faculty at Catholic Central encourages this growth on a regular basis, and so it has become a natural part of who they are for the rest of their lives. We can’t imagine a better investment.”
