

**Were you in the West Side Summer Band with Mr. LaPrise last summer?**

**If so, you are Invited!!!!!!**

THIS IS VOLUNTARY AND BY NO MEANS MANDATORY.

**To:** Those who participated in summer band this past summer (2022).

**When:** This Friday Sept. 16, 2022 at West Catholic's Football Game. The summer band students should try to show up between 6pm and 6:15 pm.

**Where and How:** The summer band students should report to the WC Cafeteria where they will meet with the high school band to warm up and tune. At about 6:35pm they will march into the stadium behind the HS Band with their cases. They will then have the opportunity to sit with the band or with their parents. If they choose to sit with their parents, they will need to report to the band bleachers at halftime (with about 5 minutes left on the clock during the 2<sup>nd</sup> quarter). If you have ever been to a game, it is where the band sits. DON'T FORGET TO WATCH THE CLOCK. At that point they will get their instruments back out and warm up with Mr. LaPrise and the marching band down near the far end zone. They will then return for their halftime performance, first watching West's band, and then joining them and playing "Hit the Road Jack" with the WC Band on the track. They are dismissed after half time but can certainly continue to hang with the High School Band or go back and sit with their parents until the end of the game should they choose to.

**Other Notes:** The students do not need to wear anything in particular; I would suggest something comfortable. If they lost their music, I will have extras available. They all played "Danger Zone" at their concert this summer so hopefully most still have it. Worst case scenario, they can share with someone. I will have some percussion instruments available and will add more if necessary based on who is there. Bring "America the Beautiful" too for a possible extra.

SUMMER BAND STUDENTS JUST NEED TO MEET US AT THE CAFETERIA WITH THEIR INSTRUMENTS TO GET IN FOR FREE, BUT THE REST OF THE FAMILY IS NOT FREE. TICKETS ARE approximately \$5. IF YOU ARE NOT ATTENDING AS A PARENT, PLEASE MAKE SURE SOMEONE IS ACTING IN YOUR PLACE IF YOUR STUDENT IS ATTENDING.
