West Catholic is excited to welcome you to campus this October for our annual 5th-Grade Visit! Get ready for a fun day of activities with West Catholic students and staff.

5th Graders from many schools will be taking over West Catholic!

We will be kicking our high schoolers out of school and creating an opportunity for our 5th graders to be high schoolers on October 21st!

They will be doing science experiments, playing with robots, musical instruments and learning about athletics, even weight training with our former Olympic athletic trainer.

We've even invited our local parish priests to join us for this fun annual event!

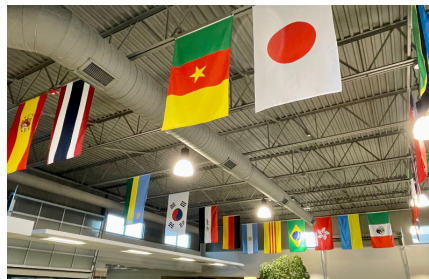

Middle school families are invited to join us for Experience West on Tuesday, October 25 at 6:30 p.m.!

Take a tour of the school, meet future classmates and see what your experience at West Catholic will be like! Sign up today at

Faith in Action

What's New?

West Catholic Sponsored a Blood Drive!

Did you know?

Our students and teachers are some of the most generous people around!

Many high schoolers and staff members gave their time, and their blood!. Students who couldn't donate helped with registration and caring for those who donated.

A truly inspiring act of love for those in need.

COME FLY WITH US!
